## Welcome Aboard

Welcome aboard an exclusive business charter service from India's only Five Star Airline, Kingfisher Airlines.

Kingfisher Elite is your private office in the sky, and we request you to treat it as such. It comes equipped with all the facilities you are accustomed to in the course of commerce, and then some more. Further, you can choose your destination, fly according to your own schedule and choose who flies with you, in an aircraft reserved exclusively for you. You can even select the aircraft that suits your needs the best.

With access to over 200 airstrips in India, you can conduct business on your own terms. And if your destination does not have an airport, we will operate out of a smaller airport closer to your departure or destination point.

At Kingfisher Elite, we understand your need better than anyone else. And so we make every effort to ensure that you are able to make the most of your time, and that you arrive fresh at your destination. To this end, every Kingfisher Elite charter comes fitted with the finest interiors, so that you can be rest assured knowing you are in for an unparalleled flying experience.

## The Fleet

## The Hawker 700

If you are thinking of taking a business trip, this executive aircraft can seat 8 guests comfortably. The Hawker 700 offers a combination of comfort and efficiency with spacious, full-leather seating and a luxurious cabin. At your fingertips you will find a personal satellite phone to keep you connected at all times. The beige interior and leather seats are accentuated by wooden cabinets and tables – thoughtful details to ensure a relaxed, safe and pleasurable in-flight experience.

Specifically:

- Relax on soft leather seats and stretch in the stand up cabin
- Unwind alongside our customized music entertainment system
- Enjoy the Five Star Kingfisher hospitality
- Fly nonstop for up to 5 hours

## The Eurocopter 155

Should your dealings require you to quickly commute from one city to another or beat the traffic within city limits, the EC-155 is ideal for you. The 5-seat VIP configuration offers more cabin space, power and versatility than almost any other helicopter in its class. Its exceptional roominess, comfort, speed and endurance is complimented by enhanced sound proofing. Ensuring also that when you arrive at your destination, you arrive fresh and rejuvenated.

Specifically:

- First helicopter with a VVIP configuration
- Couch-like seats onboard
- Helicopter and Captains are IFR (Instrument Flight Rules) rated
- Fly nonstop for up to 2 hours and 30 minutes
- Can fly in minimum visibility of 500m to 1000m

## Airbus Family

When you fly the Airbus range of aircraft; you can lean back and enjoy the comfort of extra wide seats and sufficient room to stretch your legs. At Kingfisher Elite, our attempt is to provide our guests with a delightful experience, at every step. Come, experience the unmatched comfort and service on ground and in the skies.

Specifically:

World class service

Exclusive Check-in counters

Comfortable pillows and full-length blankets

Delectable spread of beverages and gourmet cuisine
